

## Gesu's Hallowed Eve Results

Nearly 200 people attended the first ever Gesu Parish Dinner Auction Fundraiser on Saturday October 29<sup>th</sup> at the Marquette University Alumni Memorial Union. In addition to great fellowship, through the efforts and contributions of many this event raised over \$44,000 for the Parish!!! There are many to thank for these outstanding results. In particular we would like to recognize and express our gratitude to the following:

Our intention is to make this an annual event. In fact planning has already begun for the next dinner auction! And if the feed back from this year's attendees is any indication the next event will be an even better time and greater success. We hope to see you all there. If you are interested in helping out please contact John O'Brien or Shelly Raymond at the parish office.
