“We have a Mission for Haiti”  
The Gesu Twinning Committee

“SOLIDARITY is another name for the kind of love that moves feet, hands, hearts, material goods, assistance and sacrifice toward the pain, danger, misfortune, disaster, repression or death of the other person or a whole people. The aim is to share with them and help them rise up, become free, claim justice and rebuild.” Jon Sobrino, S.J.

Twinning is an active, mutual, on-going spiritual, cultural and economic relationship between two faith communities.
