

Guidelines for Returning to Mass

Note - please scroll to the bottom for the link to register.

- Please register for the Mass (8:00 a.m. or 11:00 a.m.) you plan to attend. See the link below for Sign Up Genius to make your reservations or call the Parish Office (414-288-7101) if you don't have a computer.
- Please bring a facemask with you. You *must* wear the facemask from the time you arrive at church until you depart.
- Remember to use your bathroom at home before coming to Mass (we will have very limited access to the restroom).
- Doors to church will open *30 minutes* before Mass begins. Please be prompt arriving *before* Mass begins.
- For those driving to Mass, park in Lot J (adjacent to Parish Center) and enter church through the east entrance only. Be careful not to crowd together as you enter church.
- As you enter church, a hospitality minister will direct you to your pew. Unless you are from the same household, please observe social distance (6 feet) from one another *throughout* Mass.
- You will be invited by a hospitality minister to receive Communion (by hand only). Approach the priest with your facemask on, receive Communion, step to the side, remove the facemask, and consume the Body of Christ. Return to your pew, observing social distance.
- At the conclusion of Mass, you will be dismissed by the section you occupy. Please wait for directions.
- Offertory baskets will be placed by the west door. You can place your contribution there as you leave.
- Please proceed to your car and do not linger in the parking lot for your safety and the safety of others.

Sign Up Genius link for Mass reservations:
